# ART DE VIVRE

LUXURY SELECTION

## L'ARTE DI CREARE

L'artigianalità e l'arte si incontrano in ogni elemento di questa nuova collezione, che vede come protagonisti assoluti la versatilità della ceramica e la bellezza immacolata del marmo, legati dal fil rouge del lusso più ricercato.

## PIETRA E CERAMICA: UN MIX PREZIOSO

Il know-how artigianale incontra l'innovazione del design contemporaneo, per dare vita a una serie di prodotti di lusso pensati per reinterpretare il bagno. Ogni elemento acquista carattere grazie al mix di ceramica e pietre preziose con le quali viene rivestito.

## TRATTI DISTINTIVI

Il colore è espressione di carattere: ogni tipologia di pietra preziosa utilizzata per rivestire i nostri prodotti, porta con sé un'energia diversa, che pervade l'ambiente e ne decide il mood. La pietra acquista così un potere che va al di là di quello prettamente decorativo: diventa un tratto distintivo.

## ELEGANZA SU MISURA

La sartorialità è un elemento importante nella realtà Artwork: ogni elemento è pensato, progettato e realizzato in azienda. Ogni materiale utilizzato viene modellato come un vestito su misura per aderire perfettamente all'idea iniziale.

## PERSONALIZZAZIONI

La scelta della materia è una vera e propria espressione dello stile personale. Artwork offre la possibilità di rivestire l'arredo bagno in ceramica con una vasta gamma di pietre preziose e marmi pregiati, per dare un tocco unico e riconoscibile ad ogni elemento.

## ART AND CREATIVITY

Artisanship and art come together in every piece of this new collection whose versatility of ceramics and impressive beauty of marble play the lead role and are linked by the common thread of the most refined luxury.

## STONE AND CERAMICS: A UNIQUE MIX

Handcrafted expertise reflects the innovation of contemporary design, to create a series of luxury products conceived to reinterpret the traditional bathroom with a different take. Each bathroom installation acquires a unique character thanks to the mix of ceramics and precious stones that enhance its surface.

## DISTINCTIVE TRAITS

Colour is an expression of character: each type of stone used to clad our products instils a different energy which pervades the room and sets the mood. The marble thus acquires a power that goes beyond the purely decorative function: it becomes a distinctive feature.

## TAILOR-MADE ELEGANCE

Precision is an important aspect in the realisation of Artwork: every product is conceived, designed and manufactured in-house. Every element used is shaped perfectly as a tailor-made suit to fit the initial idea.

## CUSTOM MADE

The choice of materials is a true expression of personal style. Artwork offers a customized service that consists in having ceramic sanitary wares decorated with a wide range of precious stones and marble to give a unique and recognizable touch of style to any interior.

**Commissioni:** Le commissioni, impegnative per il cliente, si intendono sempre "salvo espressa accettazione della Casa".

**Prezzi:** I prezzi indicati nel ns. listino si intendono per merce consegnata franco fabbrica. Ad esclusivo carico del compratore tutti gli oneri fiscali.

**Pagamento:** Ogni fattura deve essere regolata separatamente anche se esistono residui di commissione da espletare. Il ritardato pagamento costituisce sempre inadempienza inesauribile e comporterà l'addebito di interessi al tasso corrente bancario.

Per pagamenti con tratte o ricevute bancarie verranno addebitate le spese di incasso e relativi bolli. Per pagamenti a giorno fisso del mese, la scadenza verrà anticipata o posticipata al giorno fisso più vicino. Nessuna contestazione sulla merce potrà dare diritto al compratore di sospendere o ritardare i pagamenti.

**Spedizioni:** La commissione potrà essere eseguita dalla casa anche con più spedizioni. La merce viaggia a spese, rischio e pericolo del viaggiatore anche se viene spedita direttamente dalla casa. Si escludono bonifici per eventuali rotture o ammanchi. Tutte le spese di trasporto ecc... sono a carico del compratore. La consegna della merce al trasportatore deve intendersi in ogni caso come fatta al Compratore.

**Consegna:** I termini di consegna si intendono sempre indicativi. La consegna si intende eseguita con la messa a disposizione della merce presso il ns. stabilimento di Civita Castellana.

**Garanzia:** Non si ammettono reclami se non fatti nel termine stabilito nella prima parte dell'Art. 1495 del Cod. Civ., la nostra garanzia rimane in ogni caso limitata alla ripresa pura e semplice da parte nostra della merce eventualmente inservibile per accertato difetto intrinseco ed alla sua sostituzione in termine ragionevole, oppure al bonifico dell'importo a ns. scelta.

**Foro competente:** Le eventuali controversie di qualsiasi genere e natura si intendono deferite esclusivamente all'Autorità Giudiziaria di Viterbo.

**Products:** Kerasan reserves the right to perform technical, construction and dimensional adjustments deemed indispensable for the improvement of its product: weights and measurements shall be deemed provided solely for indicative purposes. Due to the special machining of our ceramics, colours of the sanitary glaze are subject to slight variations to be taken into account within the margin of tolerance.

**Orders:** Orders, binding for the customer, shall always be deemed valid "only upon explicit acceptance by the Company".

**Price:** All prices indicated in our pricelist shall be deemed goods delivered ex-factory. All tax charges shall be exclusively met by the purchaser.

**Price:** Even in case of residual orders yet to be completed, all invoices shall be settled separately. Delayed payments shall imply irreversible non-compliance and thus shall lead to interest charges in compliance with the current bank interest rates. Regarding payments with bank drafts and receipts, cash receipt expenses and the relative revenue stamps shall be charged. Regarding payments at fixed monthly deadlines, the expiry shall be anticipated or deferred to the nearest date to such expiry. No objections regarding the goods shall entitle the purchaser to suspend or delay the payments.

**Forwarding:** The order shall be performed by the company even through several deliveries. Goods travel at the risk, cost and peril of the consignee even though forwarded directly by the company. Discounts are excluded regarding possible breakages and damages. All transport expenses etc... shall be charged on the purchaser. Consignment of goods to the transporters shall in any case be deemed as delivery to the purchaser.

**Delivery:** Delivery terms and conditions shall always be deemed solely for indicative purposes. Delivery of goods shall be deemed performed once the goods shall be made available at our premises at Civita Castellana.

**Warranty:** No complaint shall be admitted unless forwarded under the conditions provided for by Art. 1495 of the Italian Civil Code. In any case, as far as our company is concerned, the warranty shall strictly and solely remain limited to the goods eventually deemed unusable due to ascertained effective defect and its replacement within a reasonable deadline, or upon compensation amounting to a sum of our choice.

**Competent jurisdiction:** Any kinds of controversies shall be brought before the Judicial Authority of Viterbo.
